

## **Directions to Dodge Co. Wrestling Gym**

### **Address:**

Our wrestling gym is located at the old Dodge County Middle School; not the High School or the Middle School where the Football stadium is at. The address is 1400 Martin Luther King Jr. Drive (corner of Congo Lane and MLK Dr.), Eastman, GA 31023. MLK Drive was formerly called Herman Avenue. Some GPS systems won't pull up the new address.

### **From Soperton/Vidalia:**

Take Hwy 46 (Soperton Hwy) towards Eastman.

When you first come into town, you will hit a stop sign. There is a large Church on your right side. Make a left turn at that stop sign and go over the railroad tracks. You will see a four way street light one block in front of you. At that light turn left onto Oak Street. Go to the next traffic light and you will see the McDonalds to your right front. Make a right onto 2<sup>nd</sup> Ave. Travel on 2<sup>nd</sup> Ave past the Eastman Post Office (right side of the road) and then Eastman Library (left side of the road). The road will begin to curve sharply to the left and you will see Pruett Heating and Air Conditioning on your right. The next building is the GA Army National Guard Armory. Make a right turn onto Martin Luther King Drive immediately after you pass the Armory. Travel on that road for about two blocks until you come to the chain link fence that surrounds the school complex...school is on the right side. The first gate you come to will be the only open gate. Turn right into the gate and the gym is in front of you on the right side.
